We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund and the aggregate remaining fund information of the Village of South Holland, Illinois ("Village") as of and for the year ended April 30, 2015 and the related notes to the financial statements, which collectively comprise the Village's basic financial statements and have issued our report thereon dated October 26, 2015, which contained unmodified opinions on those financial statements. Our audit was performed for the purpose of forming opinions on the financial statements as a whole. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the Village's basic financial statements as a whole.

RSM US LLP

To the Honorable President and
Board of Trustees
Village of South Holland, Illinois

Compliance

We have audited the Village of South Holland, Illinois' ("Village") compliance with the provisions of subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act (Illinois Public Act 85-1142) applicable to the Downtown Tax Increment Financing ("TIF") Project for the year ended April 30, 2015.

Management's Responsibility

Compliance with the requirements referred to above is the responsibility of the Village's management.

Auditor's Responsibility

Our responsibility is to express an opinion on the Village's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a material effect on the Village's Downtown TIF Project occurred. An audit includes examining, on a test basis, evidence about the Village's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Village's compliance with those requirements.

Opinion

In our opinion, the Village complied, in all material respects, with the compliance requirements referred to above that are applicable to the Village's Downtown TIF Project for the year ended April 30, 2015.

This report is intended solely for the information and use of management, the Village President and Board of Trustees, each governmental entity within the Project Area, the State Comptroller and others within the State of Illinois and is not intended to be, and should not be, used by anyone other than these specified parties.
