

*This map indicates which properties in South Holland are located within the so-called “100 year floodplain” and those within the “500 year floodplain.” For most property owners, this means it really has to rain long and hard for flooding to occur. For everyone, it means, “Be informed and take precautions.” For more information on the flood hazard, construction rules or flood protection measures, contact Fred Block at the Code Enforcement Office at 16240 Wausau (210-2915).*
