

LOCAL 4109  
& FIRE DEPARTMENT HOST  
ANNUAL HOLIDAY

TOY  
DRIVE

NOVEMBER 2015

The annual Toy Drive benefits Restoration Ministries, located in Harvey, IL.

Restoration Ministries' mission is to restore people and rebuild communities by helping men and women who struggle with addictions. Local programs of this organization include Harvey House, Tabitha House and the Thrift Store, which are located in South Holland, the Harvey Boxing Club, and Gallery of the Arts. They also host a Kids Café, Chess Club, reading program, and various youth camps.

For more info, visit online at [www.restorationministries.net](http://www.restorationministries.net).

During the entire month of November, Local 4109, in conjunction with the Fire Department, will once again collect new, unwrapped toys, which will be donated to **Restoration Ministries**. The organization will host a toy sale for parents who would not normally be able to purchase any items for their children.

All items donated are made available to parents for purchase with their own money, however, at greatly reduced prices. This gives parents a sense of pride by enabling them to buy toys for their children. The proceeds from the toy sale are returned to Restoration Ministries in support of their other programs. All toys must be new and unwrapped. They can be anything from baby toys to baseballs, Barbie dolls to bicycles. Donations of gift-wrapping paper and bows are also welcomed. The fire department will also collect children's gloves and mittens.

Please give this endeavor your fullest consideration. Thank you for your support.
